Ejection

Thursday, October 10, 2019

How to file an ejection / incident report.

Immediately following the game, call 915-256-0670. If no answer leave a voicemail with the following: Name, Home Team, Away Team, who was ejected, the inning, situation and why. You must specify if a warning was given, if a restriction was given, and what warranted the ejection.

Before 11:59pm of that day, you must email 915umpires@gmail.com

& gcartagena@riddellsales.com with your report as you will be submitting to the UIL.

Once approved, or after 10pm of the following day, you may submit directly to the UIL using the following link.
